How can I take options ?

Click « manage my pledge » and add the amount of your option(s). When you manage your pledge just keep your pledge level the same but change the amount that you are pledging to account for any add-ons you want. When we send you the survey at the end of the campaign, you will tell us what the extra funds are for.

*For example :Farl Collector (\$100) + Book 0 Prologue Standard Edition (\$12)
+ Set of 6 Universe Artworks (\$20) + Adeliane Mini (\$25) + Urvan Mini (\$25).
